## SPECIAL EDITION COVID-19

MUNICIPAL NEWSLETTER - TOWN OF STANSTEAD | APRIL 23, 2020 | VOL. 6 - NO. 4 | LEGAL DEPOSIT

In this 3rd special edition COVID-19 of the Stagecoach Express, we are addressing three subjects of pertinent interest to our residents. We would also like to take this opportunity to thank you for your continued respect to the regulations set in place by the provincial government and for the peaceful environment that permeates our town during this period of confinement. **#itsgoingtobeokay**

### Interest Moratorium

A resolution and notice of motion were adopted during the regular council meeting held on April 14 in the goal of offering respite to citizens in the midst of this time of economic uncertainty. Because the Town must continue to offer essential services, our elected officials request that all those who are able to make their May 20th tax payment please do so.

For those who are unable to make their payment, there will be no penalties nor interest for this payment period. The situation will be re-evaluated prior to the July payment due date.

However, for citizens behind in their tax payments, interest will continue to accumulate on the amount due prior to the May 20th payment.

If you have already sent post-dated cheques or pre-authorized credit card payments, and wish to cancel your payment, please contact us and we will help you accordingly.

For citizens who have pre-programmed payments through a financial institution, you must make the correction yourself or contact your financial institution.

Please note that we do not reimburse tax payments and we are not responsible for bank fees incurred due to payments having non-sufficient funds.
